MEGA PARK RE-DESIGN ON THE HORIZON!

Merritt/Danvers Park facelift has begun...

Bounded by Merritt, Danvers, and Market Streets. Merritt/Danvers Park will benefit from a significant design, extensive replanting, and new paths.

Above, a youthful volunteer reworks the stones that comprise the southern border on Market Street. The entire renovation will be completed by the fall of 2022.

This project will cost thousands of dollars so your financial support is essential. Contribute at CHN.com.

Site now cleared

Following the spring weed invasion, the site has been fully cleared. Replanting will begin in November.

Desert gold

All the paths will be restored with 16 tons of "desert gold" gravel.

The new design...
